

## STANDING OF CONTESTANTS

List of Voters in Present Order of Their Standing.

## CONTEST IS REMARKABLY EVEN

A Few Votes Would Change Standing of the Nominees in Race—Organizations Are Working Hard.

The standing of the contestants in The Bee's M. & M. voting contest is remarkably even. So far the final distribution of the prizes is a matter that no one can tell. Just a few votes would completely alter the positions of many of the nominees in the race.

Herewith is given the standing of the contestants according to districts and also according to the number of votes held by each. Those with the most votes are named first. This list is compiled up to Thursday noon, January 22.

## WINNER OF THE CREIGHTON ORATORICAL CONTEST.

William J. Flaherty

William J. Flaherty, a senior in the Creighton College of Arts and Sciences, won first place in the annual oratorical contest held Wednesday evening.

Flaherty has for several years been prominently identified with the Creighton Oratorical association at the arts college and has always been one of the leading speakers in the weekly debates held by that organization. This is his first triumph in an annual contest, however. His speaking Wednesday evening was exceptionally good.

Besides being a good orator Flaherty is a good ball player, and is a shining light in the inter-class games held each spring. Flaherty lives in St. Louis.

By virtue of his victory Wednesday Flaherty will represent his school in the annual intercollegiate state oratorical contest to be held next month.

Fern Antill, Nora Barnett, Opal Anderson, Pearl Burris.

## For Good Health and Digestion

Before meals and on retiring take a tablespoonful of

## Duffy's Pure Malt Whiskey

It will stimulate the mucous surfaces and little glands of the stomach to healthy action, thereby improving the digestion and assimilation of the food and giving the system its full proportion of nourishment. Duffy's Pure Malt Whiskey contains the splendid qualities of ripe grain carefully malted, so essential to the weak and run-down. To safeguard yourself against imitations look for the "Old Chemist" label on the bottle and see that the seal over the cork is unbroken. A few unscrupulous dealers have gone so far as to fill old bottles with imitation whiskey for the sake of greater profit. Protect yourself against this evil by breaking the bottle when it is empty. The genuine Duffy's Pure Malt Whiskey is sold in sealed bottles only by most druggists, grocers and dealers at \$1.00 a large bottle. Valuable medical booklet sent free.
